### Quick as a Flash!

Posing for the camera and it always makes me dead horny. After a shoot I am ready to fuck, and this one was no different. I have a fuck friend called Dominic who loves taking photos as much as I do. I let him take pictures of me for free. He has masses of albums stuffed full of pervy prints of me dressed in slutty, kinky costumes, or playing with myself and my huge array of well-used sex toys. This particular Friday, he was round my flat doing a shoot with me. I was getting ruder and ruder, spreading my pink pussy lips for his lens and sliding a couple of fingers inside my cunt to the knuckle.

Dominic was getting steadily closer until he could reach out himself and finger me. By the time he had three fingers up me I was desperate to go the whole way. I had my legs spread and he was taking a close-up of my moistening pussy. He showed me the picture – beads of my cunt cream clung to my bare, puffy labia. Quick as a flash, I took the camera off him and pulled his head right into my cunt. He took it in his stride, grabbing hold of my buttocks and licking out my tender slit. I wrapped my legs around him and enjoyed a good licking out. I closed my eyes and concentrated. His tongue darted like a snake's, in and out, flicking my clit then disappearing into my love hole. In and out, in and out... his tongue got harder and my pussy widened. His face pushed deeper into my slippery crevice. In and out, in and out... Pow! When I had cum, which didn't take that long, Dominic emerged smacking his lips, cunt juices smeared over his cheeks and

chin. He quickly undressed and stood there with his stiff cock standing proud and waiting to be sucked. I kissed him so I could taste my pussy juices. Then I knelt down and started licking his balls. After I had noshed his bollocks off, I licked up and down the length of his shaft. His fat purple helmet was crowned with a large, clear drop of pre-cum. I squeezed his shaft, doubling the size of the cum drop. Then I licked it off and plunged Dominic's cock deep inside my hot, wet mouth, making him moan with pleasure.

I sucked him off and wanked his shaft till I felt his cock straining to cum. Cum spurting down my throat is a real treat, but this time I was so horny I had to have a cuntful of cock. Dominic groaned as I pulled his cock out of my mouth and told him I needed fucking. He had been on the verge of cumming but he put his disappointment to one side. He said OK, but warned myself down onto his hard cock and started riding him. On top is one of my favourite positions because I can control the fuck and really get my rocks off. I bounced up and down on Dominic's meat and friggd my hard clit off. I told Dominic to hang on because I was on the edge of a powerful orgasm. I rode him harder and came with a loud scream, just as Dominic finally pumped the warm contents of his ball bag deep in my cunt. Always thinking of his photo albums, he clicked off some

### Double Trouble!

Drinking in town one Saturday night with my girlfriends, we got chatting to this bunch of lads who invited us to a party that was happening at their flat after chucking out time. So we drank and flirted with them until the pubs shut. I pulled this one bloke called Tony in the pub. He was a good laugh and alright looking so I decided to give him a snog. I had a grope of his tackle as well and he felt well hung. Back at the party later on he sought me out and asked if I wanted to go upstairs to one of the bedrooms. I quite fancied him and I was a little drunk, plus I was keen to check out his cock, so I let him lead me up the stairs. We went in and shut the door. I was aware that Tony

hadn't locked it and we could be caught, but that made it all the more exciting. He stood against the door while I knelt in front of him. I undid his trousers and let them drop to the floor. Next his boxer shorts came down and I was face to face with his cock. It was long and very fat and growing by the second. I ran my hand around his heavy balls and slowly wanked his shaft, coaxing him to full hardness. After a minute or two his cock was rock solid and standing proud. I pulled his foreskin gently back and took his helmet in my mouth. Gradually I worked more of his mega tool into my mouth until I was plunging the majority of it in and out of my mouth in deep strokes. Tony had one hand on my head and was making very appreciative noises. He started to pump his cock into my mouth so I held my head still and let

# MORGAN M

The last time we met up with Morgan she was having fun playing with giant chess pieces, and due to the boring health and safety officer, we had to stop her stuffing a pawn up her arse to end the game! How do these pointless pencil pushers justify their existence and ruin all the fun. This time around Morgan decided she wanted to do something more menial and do a bit of nude painting, and while Karen was out of the room she couldn't help but throw the rules out of the window and stick a cheeky paintbrush where the sun doesn't shine, sharing a cheeky wink with everyone else that was still left in the room!

# AMBER

Amber is fascinated with Ancient Egypt. "Pyramids, mummies, terrible handwriting – I fantasise about being fucked in the Valley of the Kings." We have our own riddle of the sphinxer for you – would you take it up the backside? "Apparently the Egyptians were always at it. It has to be someone I really like though, and if that's the case, then dive in and make yourself at home, there's plenty of room up there!" Can't say Pharaoh than that Amber!

# REAL WIFE SEX

TABBY LOVES A BIT OF FOUR-WAY FUN!!!

I know your Real Wife Sex stories are usually always from women, but I had to write in on the off chance that you'd print one from a guy! My wife, Tabby, loves to be fucked by more than one man at a time.

You may think I am mad to allow her to fuck around like this, but I enjoy watching her behaving like the cock hungry slut she is. In any case, I have no choice in the matter if I want to stay married to her (she's made that very clear, many times).

I know I'm a bit of a doormat, but I don't mind – I still get my kicks! Last Friday, just before closing time, she phoned me from the pub and told me to come and collect her immediately. I had been cleaning the house so

everything would be in order in case Tabby decided to have company over the weekend. In my haste, I forgot to remove my apron and when I pulled up outside the pub I was acutely aware of this, as she was with two big macho-looking guys. Acting like I was a taxi driver, all three of them got into the back and before I had even pulled away they were pawing and groping her. Back at the house the two men sneered at my apron and Tabby told me to make myself useful and bring some beers.

I felt a mixture of humiliation and exhilaration as I went to

the fridge for the beer. I knew that Tabby was about to get fucked senseless by these two gorillas and I wanted to watch.

I always get off on watching Tabby getting fucked by bigger, thicker meat than my own – and sometimes I am even allowed sloppy seconds, thirds – or even fourths for that matter.

She was on top form when I returned to the living room. The bigger guy, Robin, had her on all fours on top of the coffee table, and was pulling aside her tiny lace g-string and rubbing his cock up and down the crack of her arse. Tabby's slot was gooey with her pussy juice and she was verbally encouraging him to split her peach with his big weapon.

Steve, the other guy, was watching with his cock in his hand, encouraging Robin to give "the dirty slapper a good seeing to" as she was "gagging for it". Urged on by his companion, Robin gripped her hips with his large hands and heaved his thick phallus inside her waiting cunt. With

moans of appreciation Tabby jerked back to meet his slamming cock. Her huge bristols shook free from her bra and swung to and fro as he ploughed in and out of her pussy.

Steve took a beer from me, and, taking a swig from the can belched loudly, and moved around in front of Tabby, holding out his cock and telling her to suck "the fucker". The horny little slut began licking and sucking greedily on his penis – while, all the time, she was getting a pasting from behind from his mate. Nobody was taking any notice of me, so I pulled out my pecker from under my apron and began tugging. Tabby's cheeks were bulging from the amount of meat that was being almost shoved down her throat.

With her mouth and pussy both full nearly to bursting the sexy bitch was thoroughly enjoying being fucked from both ends.

Robin and Steve sawed their cocks in and out of her, pumping Tabby hard. Then (and this I could hardly credit, it was so completely arrogant) Robin actually withdrew his cock and reached for a beer, which he drank with one hand while stroking his rod with the other! He obviously knew he had all night; he could take his own sweet time... My woman would do anything he wanted for him, any time he was ready.

Looking at me like I was a worm, Robin told me to kneel behind Tabby and lubricate her arsehole with my tongue as he was going to fuck my wife up the bum. Grateful to be included, I knelt behind her, and on his instruction lowered her knickers and pulled them off. Almost reverently I began lapping at Tabby's luscious ring, rimming her with devotion.

I became so engrossed in my task that I momentarily forgot the purpose of my attentions. With a jerk back to reality I felt Robin's hand pulling me aside by the hair. Tossing me her pants, he told me to "take note" of how real men fucked a dirty whore.

His words stung, but I was soon engrossed in my self-pleasuring as I watched Robin align his big cock with Tabby's puckered ring. My hand pumped frantically as I watched him push his fat shaft inside her

arsehole.

Steve sounded like his climax was close and he was urging Tabby to suck his "fucking flute" harder.

With Tabby's scent in my nostrils, I watched the two of them reaming her simultaneously and began to feel my balls tighten. By now Robin had thrust his full length inside Tabby's butt, hammering it in until his balls were slapping loudly against her wet pussy. Steve held onto Tabby's hair and her mouth bulged as he started to cum, jerking his seed down her throat. As she struggled to swallow, trickles of the milky fluid dribbled down her chin, making her look more of a cock-slut ever before. With one almighty plunge, Robin's load erupted inside her, and quickly he pulled out and splashed the rest of his jizz over her wobbling buttocks.

The sight of my wanton wife thoroughly fucked and leaking spunk from both ends brought me over the edge and I came off hard, my smaller cock splattering the inside of my apron with my load.

I disappeared into the kitchen before the blokes left, grateful not to have to look at them again. As usual, Tabby didn't say a word about the encounter, but she did let me fuck her the next night, so she must have enjoyed herself!

him do the work. I could tell he was getting worked up as he fucked my mouth, and sure enough I felt a big dollop of thick cum fire against the back of my throat. A lot more cum quickly followed and I had to swallow fast to get it all down. Then I licked his cock and balls clean and told him it was my turn. Tony roughly stripped me naked and threw me onto the bed on my back. He took his clothes off and joined me. He wasted no time lifting my legs into the air so my juicy cunt was his for the taking. He pulled my lips apart with his fingers and took a long slurp of my slit. He started licking me out voraciously, like a thirsty dog at a water bowl. What he lacked in finesse he made up for in enthusiasm. I reached down and started rolling my clit between finger and

thumb. I just closed my eyes and enjoyed myself, lazily flicking my bean while he pleased me with his strong tongue.

As I was drifting away to paradise, I hardly noticed that my nipples were being sucked as well. Everything felt so nice it took me a little while to realise there must be someone else involved. I half opened one eye and saw

another bloke, a guy I recognised from the pub, one of Tony's mates, sucking on my tit. I thought for a second about what was happening. I came to the conclusion I was enjoying myself too much to stop. I decided I would let these two guys do whatever they wanted me. To make it clear I was up for it, I reached over to the new arrival and pulled his lips against mine. A matter of seconds later he was kneeling alongside me with his cock in my face.

I opened my mouth wide and he fed his dick down my throat. Still frigging my clit off and having my cunt eaten, I lustily sucked on my second cock of the night. I was close to cumming, and picturing myself doing what I was doing was enough to send me over the edge. My legs started shaking and my cunt clenched as I came noisily. Tony came up from between my legs beaming and licking his sticky reward from around his mouth. He came and knelt alongside me with his mate, offering me his cock.

I took a cock in each hand and wanked them off, flicking my tongue out to tease their

bell-ends when I could. I was thrilled at being such a slut. "We're going to fuck the life out of you!"

Tony said, manoeuvring me onto all fours.

Tony then got behind me and started slowly filling my cunt up with his big cock. I took the other guy's cock in my mouth and concentrated on sucking it while Tony attempted to split me in two. But my cunt soon stretched and got used to Tony's girth. I bucked back, encouraging him to fuck me hard. He didn't disappoint, screwing me long, deep and hard. I had often fantasised about two blokes spit roasting me, but this was even better than I had imagined. It didn't take long at all for them to make me cum again, even better than the first time.

Then Tony pulled his mighty cock out and lay on the bed. His mate picked me up and

lowered me onto Tony's cock. I eased myself down onto his beast until I was comfortable. Then I started to ride him. Meanwhile his mate was spreading my arse cheeks wide and licking my arse out. I knew what was coming because I had wanked over it on porn films dozens of times.

A finger went up my wet arse, then another. The bloke used my oozing cunt to lubricate my arsehole and then reamed me out with three fingers. Tony paused and I stuck my arse out, inviting the other guy to slide his cock up it. He greased his cock up with pussy juice and eased it up my arse. He slowly fed it up me until I was ready to be fucked for real. I started to buck gently, increasing speed when I felt ready. Soon I was bucking and rocking like mad as they fucked my cunt and arse. It was just the most fantastic feeling I had ever had. I was cumming buckets, drenching Tony's cock and giving the other guy plenty of juice to apply to my tight hole.

After about ten minutes of seriously filthy pounding, Tony fired his seed deep inside me. A few seconds later his mate buried his cock to the hilt and pumped wads of thick cum inside my arse.

For any woman who hasn't tried a double fuck, I really recommend it!

So, I met this guy the other night and we got onto the subject of what I did for a living. He told me that he worked in property management and I told him that I took my clothes off for a living! Naturally, he thought I was just kidding, until I took him back to mine and showed him some of the magazines I'd been in and a few websites too! His eyes just dropped (in a good way) and so did his trousers. I don't know if he thought that I might be a bit of a slut, but he fucked me like I was a dirty piece of meat. It was the best 'first-fuck experience' that I've ever had. It lasted for hours and I could hardly walk the next day. He insisted on coming along to my next photo shoot, I hope you enjoy it as much as he did!"

# HELEN

When Helen turned up for her photo shoot we'd never come across a model more nervous than her! "I'm so conscious of my body that I only really like to fuck in the dark, so stripping off in front of a bunch of guys was pushing myself well outside of my comfort zone." Helen told us. "But a few minutes in and I was loving all of the attention I was getting, I loved spreading my legs for the boys and pulling my pussy lips apart and showing them a whole lot of pink! I hope your readers appreciate all of the effort that I put in! I can't wait to do it all over again."

"My wife likes to tease me while I take photos of her. You can't see it in these pictures but she fucked herself with a bottle of shampoo. Finally she let me strip off so that I could do the same to her!"

Perfect tits, a nice tight, but plump, arse and a soaking wet shaved pussy goes a long way in Escort, and Chloe James has it all! She's got a few piercings and tattoos too, just to make her stand out a little bit more! "Wow, you guys are full of compliments today aren't you!" Well, you make it very easy. So, out of all your sexy features we've pointed out, which one are you most proud of? "My boobs get plenty of attention, but I like my lip piercing. I comes in really handy when I'm giving head. I'd say it cuts down the time it takes a guy to cum in half, giving me more time to get busy with the other stuff!"

# DANI MAYE

When a man is tired of Surrey girl Dani Maye, he's tired of life. Big bra-bursters, trim snizz, curved and toned and horny as hell, what's not to like? "Some people say they don't like my accent, but that's not a problem when I'm slurping away at their cock, is it, and do guys really care what I sound like when I'm screaming at them to fuck me harder and faster? I think not!"

From hair to bare... Sophia gives us a very intimate look at her monthly cunt cropping. "I get hairy quite quickly and some blokes love that – the feel of hairy mound on hairy mound is incredible and quite rare these days! But when I go dogging I like people to see the gleam of bare pussy and shiny pink lips in the headlights! I'm going out tonight!"

## She's Got Plenty of Spunk!

Before my husband Bob came along, I was a right little slapper. I used to fuck around like nobody's business. They used to call me 'Martini' because I would do it any time, anywhere, anyhow. And pretty much with anyone too! My filthiest experience was at a party when I was a 20-year-old tart. I was seeing this bloke called Paul who was a bit of a jack the lad. He was always showing off to all know how important that is to a girl as slapperish as me! We were on the sofa in the

front room of the party snogging. I was horny as fuck and I was fondling Paul's rigid cock that jutted out of his flies. He slid his hand between my legs and started rubbing my hot cunt through my tight trousers (no knickers of course!). I was getting quite turned on and lost in the moment. I guided Paul's hand to my zip and encouraged him to get at my cunt. He wriggled his hand inside my trousers and started fingering me. Suddenly I was aware that quite a few of Paul's mates were watching. They were egging him on, saying stuff like 'Go on son, finger the tart' and 'She's loving it'. I WAS loving it, and having

them watch made it all the more horny. Paul pulled my trousers down around my ankles so everyone could clearly see his three fingers squelching in and out of my juicy cunt. I gasped with excitement and involuntarily my hand clasped to my breast and started kneading it in ecstasy.

When one of his mates leaned forward and took over fingering me, I didn't complain. Soon there were about five of them all round me. They'd taken all of my clothes off and some were fingering my cunt, some sucking my tits and Paul and another guy had their cocks out. The other four or five who were in the room shut the doors and stood around watching, their

hands stuffed down the fronts of their trousers.

I took Paul's cock in my mouth – he had a lovely fat one and I always enjoyed sucking it. I felt a hand guiding my hand to another hot cock, which I started wanking.

When Paul's cock was rockhard he pulled

out and another one was quickly shoved in my mouth in place. I sucked it enthusiastically while Paul dragged me onto the floor and spread my legs.

He started fucking me hard and fast. I had another cock in my mouth, one in my hand and several blokes playing with my tits and clit. I felt like a real slut and I was in my element. I wanted them all to fuck me. At the very least, I was going to make sure they all got their jollies.

After a while,

Paul buried his cock inside me and flooded my cunt with spunk. As soon as he had pulled out, the cock in my mouth was shoved up my sloshing cunt. Another cock soon went in my mouth. As I was being fucked for the second time one guy who'd been wanking stood over me and came over my belly and tits.

I was used in this way for the best part of an hour. Six blokes actually fucked my cunt and I don't know how many cocks I sucked. I had rapidly cooling cum splattered all over me and it was just oozing out of my pussy. I had cum several times and behaved like a real tart. It was a fantastic, filthy experience to have all those cocks fucking and cumming on me.

I used my pussy muscles to squeeze out a whitish river of cum and lick a big gobbet of it up. What a spunk fest! Since I've been with Bob I've had quite a few foursomes and moresomes, but that is the most blokes I have ever taken on in one session. But there is plenty of time for me to beat my record yet! Bob might take some persuading but I think I can talk him round!
